

South Carolina Climate, Energy & Commerce Advisory Committee

Transportation and Land Use
Technical Work Group Meeting #4
August 7, 2007

Office of the Governor
The Center for Climate Strategies

Today's Agenda

- Introductions
- Review next steps for TWG
- Review and discussion of balloting results
- Review and discussion of the catalog of state policy options and bundling options
- Discussion of balloting process
- Proposed date, time, & agenda items for next meeting
- Call to the public
- Announcements

CECAC Process

1. Develop initial GHG inventories and forecasts
2. Identify possible GHG mitigation options
3. Identify initial priorities for first round evaluation
4. Evaluate GHG reduction potential, cost effectiveness, additional issues
5. Identify potential barriers to consensus, alternatives
6. Modify, add or subtract mitigation options as needed
7. Evaluate cumulative results of mitigation options
8. Iterate to consensus with new alternatives, with votes as needed
9. Aggregate options into implementation scenarios
10. Finalize recommendations and report language

TWG Next Steps

- Identify priority policy options from catalog
 - Rank and screen options as needed
 - Suggest initial “priorities for analysis” to the CECAC
- Analysis of top priorities

CCS Catalog of State Actions

- Actions undertaken or considered by a wide variety of US states
- Many actions provide GHG reductions coincidentally or as a co-benefit
- Cover all economic sectors
- Cover many implementation mechanisms
- Add to or revise as needed for SC

TLU Catalog

- Please see separate Catalog handout

Balloting Process

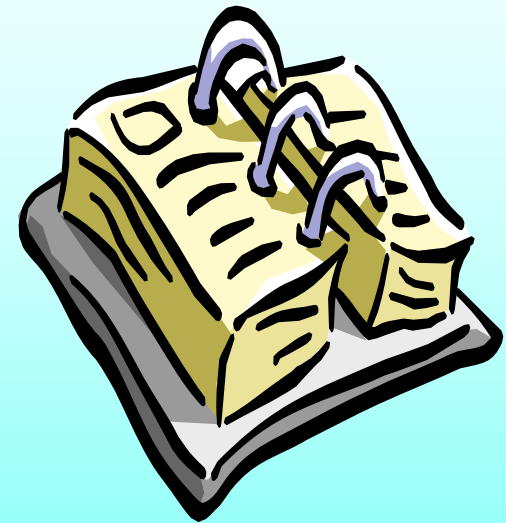

- Prioritize policies for analysis
- Option of bundling policies
- Rank into high, medium and low priorities for analysis
- Quantification by CCs and TWG for high priorities, address remainder as time and resources allow.

Balloting results

- See separate document

Next TWG Call

- Date and Time
 - Wednesday, September 19, 2007 from 10:00 am – 12:00 pm
- Agenda:
 - Discuss approaches for analysis

Public Input, Announcements
