**SOUTH CAROLINA
CLIMATE, ENERGY AND COMMERCE ADVISORY COMMITTEE
ENERGY SUPPLY TECHNICAL WORK GROUP
NOTICE OF TELECONFERENCE MEETING #10**

Notice is hereby given to the Energy Supply (ES) Technical Workgroup (TWG) members of the South Carolina Climate, Energy and Commerce Advisory Committee (CECAC) of the Office of the Governor of South Carolina and to the general public that the TWG will hold a teleconference meeting on Thursday, March 27th from 2:30 pm to 5:00 pm.

Teleconference access will also be available for members of the public. Instructions for the public to dial into this meeting can be found on <http://www.scclimatechange.us/schedule.cfm>. Members of the TWG should use the participant codes provided by the facilitators.

Members of the TWG as well as members of the public also have the option of attending the meeting in person in Room 3151 at the South Carolina Department of Health and Environmental Control building, 2600 Bull Street, Columbia, SC 29201. Please call Michael Juras at (803) 898-4385 in advance of the meeting to arrange for an escort from the front lobby to the meeting room.

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Justin Evans at (803) 734-5257 (jevans@gov.sc.gov). Requests should be made as early as possible to arrange the accommodation.

The agenda for the meeting is as follows:

- Call to order and roll call
- Review and approval of the draft summary of meetings #10, and supplemental meetings 10a, and 10b
- Review of CECAC process and discussion of next steps for TWG
- Proposed date, time, and agenda items for next meeting
- Proposed update for Draft Inventory and Forecast (I&F)
- Initial results of quantification of costs and benefits
- Refinement of policy proposals as needed
- Begin developing additional aspects of the straw proposal
- Public input and announcements

Background materials and directions for this meeting may be viewed at <http://www.scclimatechange.us/>.
