**SOUTH CAROLINA
CLIMATE, ENERGY AND COMMERCE ADVISORY COMMITTEE
ENERGY SUPPLY TECHNICAL WORK GROUP
NOTICE OF TELECONFERENCE MEETING #12**

Notice is hereby given to the Energy Supply (ES) Technical Workgroup (TWG) members of the South Carolina Climate, Energy and Commerce Advisory Committee (CECAC) of the Office of the Governor of South Carolina and to the general public that the TWG will hold a teleconference meeting on **Thursday, April 24, 2008 from 9:00 to 11:00 AM.**

Teleconference access will also be available for members of the public. Instructions for the public to dial into this meeting can be found on <http://www.scclimatechange.us/schedule.cfm>. Members of the TWG should use the participant codes provided by the facilitators.

Members of the TWG as well as members of the public also have the option of attending the meeting in person in Room 3151 at the South Carolina DHEC building, 2600 Bull Street, Columbia, SC 29201. Please call Michael Juras at (803) 898-4385 in advance of the meeting to arrange for an escort from the front lobby to the meeting room.

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Justin Evans at (803) 734-5257 (jevans@gov.sc.gov). Requests should be made as early as possible to arrange the accommodation.

The agenda for the meeting is as follows:

- Call to order and roll call
- Review and approval of the draft summary of meeting #11
- Overview of direction provided by the CECAC at its last meeting
- Review of the results of the analysis for ES-1, ES-3 and ES-8
- Review of overall results from Energy Supply sector analyses including overlaps among ES policies with other ES policies and with those of other sectors
- Review of wording and proposed edits for all policies in the Policy Option Document
- Completion of remaining sections of the Policy Option Document
- Public input and announcements

Any of the above topics remaining for discussion after this meeting will be the focus of our next teleconference meeting, to be held on Monday, April 28, if needed.

Background materials and directions for this meeting may be viewed at <http://www.scclimatechange.us/>.
